CEO'S FAVORITE

NCTF

It is a treatment that serves as a skin booster, improving texture, firmness, and elasticity, while simultaneously reducing the appearance of pigmentation, fine lines, and wrinkles.

Moreover, this treatment aids in restoring skin radiance and hydration levels, resulting in a more youthful and rejuvenated complexion.

IMPURITIES

BELOTERO BALANCE®+

All-around Refinement

These qualities make Belotero Balance (+) ideal for areas that need a product to fill, refine, and move with the dermis.

Feels natural to touch

Since it integrates fully into your skin, injected areas feel natural to the touch.

Maintains facial expression

Because of its unique design, Belotero Balance (+) doesn't interfere with normal movement and facial expressions.

1 Syringe	48,000
2 Syringe	90,000

EXO THERAPY
MADE IN SOUTH KOREA

EXOBRIGHT PLUS

Instant skin rejuvenation and anti-aging that stimulates cell repair and regeneration, with lasting results through microneedling.

EXOJET

This treatment uses pressurized oxygen and a specialized solution to exfoliate, unclog pores, remove impurities, and enhance skin texture.

BIO DEEP EXOSOME

Stimulates cell growth and repair, rejuvenates the skin, boosts collagen production, enhances clarity for a glassy, translucent finish, and delivers anti-inflammatory benefits.

NEW!

Collaju

Highly purified
Atelocollagen type-1

35K
PER SYRINGE

Collaju is a breakthrough collagen-based treatment made from safe, hypoallergenic atelocollagen. It's ideal for clients seeking gradual, natural rejuvenation—improving skin texture, hydration, and firmness without the heaviness of fillers. Perfect for addressing age-related laxity, deep wrinkles, sensitive or thinning skin, acne scars, and delicate areas like under-eyes, neck, and hands.
